

For the 2021 Pre-order & Pick -up winter Farmers Market season, we're working with our farms and vendors to compile pre-order information so that you can place orders from several vendors each week and pick up ordered items easily at the ABDC parking lot on Sundays Located at 32 Birch St. The market will still run from 12:00 pm-2:00 pm each Sunday.

Each week we'll share this document with updated vendor information & pre-order information for vendors offering that option. Please pre-order when possible to help our market waiting line move faster. Pre-ordering will also provide you a better selection of goods to purchase from vendors. If you are using SNAP/HIP benefits to purchase food items at the market and you'd like to place a pre-order, please contact vendors directly to make arrangements. You can Write a note on the check out that you will pay at the farmers market.
